Please Note: Instrumental Music Classes are already available from grades 4-8 during the school day.

If your child is in grade 4-8, this extra offering for afterschool class serves either as; an additional class time for students in the daytime program, or, a class in lieu of the daytime program due to scheduling conflicts. (Students at these grades are welcome to take one or both sessions with no additional tuition required. Grades 1-3 are afterschool only (Grade 4-8 can choose daytime, afterschool or attend both))

***Students may try the class for 2 weeks before enrolling.
Instruments will be available for trial at these sessions.***
